Projects 562 and 612: Review Notification

Dear Jeremy Freund:

I am writing in relation to project 562 - The Kasigau Corridor REDD Project – Phase I Rukinga Sanctuary, and project 612, The Kasigau Corridor REDD Project – Phase II The Community Ranches, which are registered under the Verified Carbon Standard (VCS) Program and the Climate, Community & Biodiversity Standards (CCBS) Program, and seeking registration under the Sustainable Development Verified Impact Standard (SD VISta) Program.

Verra has initiated a review of this project pursuant to Section 2.5.6 of the *VCS Program Guide*, Section 4.7.3 of the *CCBS Program Rules*, and Section 2.5.5 of the *SD VISta Program Guide*.

During the conduct of this review, Verra has placed the project on hold.

Sincerely,

Farhan Ahmed
Chief Program Management Officer
